**Willeke is addicted to human behavior. She's has been fascinated by human action her whole life.** "The world will not be perfect, even after today", is her slogan. "But if we understand why people act, react and interact, we can make the world a bit more perfect, by our influence. Her mission in life is to help people to connect, to achieve great things together. Therefore we need skills. She loves to interact, teach, challenge the audience with an impactful style, and with humor. Willeke has helped individuals, teams and organizations increase effectiveness, achieve better results, and strengthen relationships. She is used to small and big (500+) audiences, and she knows how to perform on (an international) stage.

She loves what she does, because it's all about creating human connections.
