

Nancy Kalb vleesch

Languages :
English and Dutch

CERTIFIED:

AREAS OF EXPERTISE

- Innovation
- Government
- Organizational development
- Learning & Development
- Program Management
- Leadership Development
- Coaching
- Facilitator

Nancy is honest, sincere, an insightprovider and possiblemaker. A born optimist who oversees **opportunities and possibilities**. What makes her happy is 'making the lives of others more enjoyable by giving it more substance' or, in other words, 'letting people see what possibilities they have and letting them experience how much satisfaction it gives when they are used'. She has a lot of experience in providing inspiration and development programs, giving training and facilitating and guiding changes.

NOTABLE CLIENTS

- Gemeente Uden (Government)
- Randstad
- Northwest Airlines
- Nolost Capital
- AenO Gemeenten
- Perron2020
- As50-/Maashorst academie

In my free time, I like to: explore the world, read, watch movies, spend time with family and friends.

Education

HBO Bachelor Tourism;
post bachelor HRM ;
post bachelor coaching &
career counseling

“ Nancy is energetic and involved. What she can do like no other is **address participants on their own responsibility and encourage to change their mentality.**”

Training Participant
