Internal accreditations including Project Management, Coaching, Situational Leadership and Sales Excellence

Howard is passionate about releasing the potential in others. With over 30 years professional experience in sales, marketing and L&D within a global multi-national blue chip company Howard has a track record of identifying, developing and nurturing great leaders and teams.

He has successfully led the creation and delivery of leadership and talent development programs across the UK and Europe over the past 15 years.

With a love of applying his deep commercial experience when facilitating events, he is passionate about ensuring the learning environment is open, enjoyable and relevant to all participants and can quickly be applied back in the workplace.

Howard has a deep and instinctive understanding of people and their motivations that allows him to tailor his sessions in a uniquely personal way.

“ Howard combines his deep technical knowledge with personal insight and experience in a way that creates an engaging and personal connection with his audience.”
